Shareholders of record at the close of business August 25th, 2022 will be entitled to receive notice, attend and vote at the Meeting. As a shareholder of the Company, it is very important that you read the management information circular of the Company dated August 25, 2022 (the “Circular”) and other Meeting materials carefully. They contain important information with respect to voting your Shares and attending and participating at the Meeting.

Registered shareholders and duly appointed proxyholders will be able to attend, ask questions and vote at the Meeting online. Non-registered shareholders (being shareholders who beneficially own shares that are registered in the name of an intermediary such as a bank, trust company, securities broker or other nominee, or in the name of a depository of which the intermediary is a participant) who have not duly appointed themselves as proxyholder will be able to attend the Meeting online as guests, but guests will not be able to vote or ask questions at the Meeting.

Specific details of the above items of business are contained in the Information Circular of management which accompanies this Notice of Meeting (the “**Notice**”) and, together with management’s Instrument of Proxy (“**Proxy**”) or Voting Instruction Form (“**VIF**”) which also accompanies the Notice, form a part hereof and must be read in conjunction with this Notice.

If you are unable to attend the Meeting, please read the Instructions For Completion of Proxy (“**Instructions**”) on the reverse side of the Proxy or Instructions For Completion of VIF (“**VIF Instructions**”) enclosed herewith and then complete and return the Proxy or VIF within the time set out in the Instructions or VIF Instructions as the case may be. In addition, as set out in the Instructions and VIF Instructions, the enclosed Proxy or VIF is solicited by management of the Company but you may amend it if you so desire by striking out the names listed therein and inserting in the space provided the name of the person you wish to represent you at the Meeting.

A proxy will not be valid unless it is deposited with Computershare, (i) by mail using the enclosed return envelope or (ii) by hand delivery to Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, you may vote by telephone at 1-866-732-VOTE (8683) (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 or 1-416-263-9524 (if outside North America), or by internet using the 15-digit control number located at the bottom of your proxy at www.investorvote.com. Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being affected and disclosed in accordance with securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY ARE OFFICERS OF THE COMPANY. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON THE SHAREHOLDER’S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE INSTRUMENT OF PROXY, OR BY COMPLETING ANOTHER INSTRUMENT OF PROXY.

AN INSTRUMENT OF PROXY MUST BE IN WRITING AND SIGNED BY THE SHAREHOLDER OR BY THE SHAREHOLDER’S ATTORNEY DULY AUTHORIZED IN WRITING OR, IF THE SHAREHOLDER IS A CORPORATION, SIGNED BY A DULY AUTHORIZED OFFICER OR ATTORNEY OF THE COMPANY. IF THE PROXY IS TO APPLY TO LESS THAN ALL THE COMMON SHARES REGISTERED IN THE NAME OF THE SHAREHOLDER, THE PROXY MUST SPECIFY THE NUMBER OF COMMON SHARES TO WHICH IT APPLIES. A PROXY WILL NOT BE VALID UNLESS THE COMPLETED INSTRUMENT OF PROXY AND THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT IS SIGNED, OR A NOTARIALY CERTIFIED COPY THEREOF SATISFACTORY TO THE COMPANY, IS RECEIVED BY COMPUTERSHARE INVESTOR SERVICES INC. (“COMPUTERSHARE”), PROXY DEPARTMENT, 8TH FLOOR, 100 UNIVERSITY AVENUE, TORONTO, ONTARIO, M5J 2Y1. ALTERNATIVELY, YOU MAY VOTE BY TELEPHONE AT 1-866-732-VOTE (8683) (toll free within North America) or 1-312-588-4290 (outside North America), BY FACSIMILE TO 1-866-249-7775 OR 1-416-263-9524 (if outside North America), OR

BY INTERNET USING THE 15 DIGIT CONTROL NUMBER LOCATED AT THE BOTTOM OF YOUR PROXY AT www.investorvote.com NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE COMMENCEMENT OF THE MEETING, OR ANY ADJOURNMENT THEREOF.

A shareholder who has been given an Instrument of Proxy may revoke it by an instrument in writing signed by the shareholder or by the Shareholder's attorney authorized in writing or, where the Shareholder is a corporation by a duly authorized officer or attorney of the Company, and delivered to the administrative offices of the Company, 82 Richmond Street East, Toronto, Ontario, Canada M5C 1P1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the Instrument of Proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment thereof or in any other manner provided by law. A revocation of an Instrument of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

THE MANAGEMENT REPRESENTATIVES DESIGNATED IN THE ENCLOSED INSTRUMENT OF PROXY WILL VOTE OR WITHHOLD FROM VOTING THE COMMON SHARES IN RESPECT OF WHICH THEY ARE APPOINTED PROXY ON ANY POLL THAT MAY BE CALLED FOR IN ACCORDANCE WITH THE INSTRUCTIONS OF THE SHAREHOLDER AS INDICATED ON THE INSTRUMENT OF PROXY AND, IF THE SHAREHOLDER SPECIFIES A CHOICE WITH RESPECT TO ANY MATTER TO BE ACTED UPON, THE COMMON SHARES WILL BE VOTED ACCORDINGLY. WHERE NO CHOICE OR WHERE BOTH CHOICES ARE SPECIFIED IN THE INSTRUMENT OF PROXY, SUCH COMMON SHARES WILL BE VOTED "FOR" THE MATTERS OR PERSONS DESCRIBED THEREIN AND IN THIS INFORMATION CIRCULAR.

The enclosed Instrument of Proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any other business is properly brought before the Meeting, the persons designated in the enclosed Instrument of Proxy will vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, management of the Company knows of no such amendments, variations or other matters which may be presented to the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or their duly appointed proxy holders are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares or a clearing agency. More particularly, a person is not a registered Shareholder in respect of Common Shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans); or (b) in the name of a clearing agency (such as the Canadian Depository for Securities Limited ("**CDS**")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-102, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Instrument of Proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- a) be given an Instrument of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Instrument of Proxy, this Instrument of Proxy is not required to be signed by the Non-Registered Holder when submitting the Instrument of Proxy. In this case, the Non-Registered Holder who wishes to submit an instrument of proxy should otherwise properly complete the Instrument of Proxy and deposit it with the Company as provided above; or
- b) more typically, be given a Voting Instructions Form (a "**VIF**") which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**proxy authorization form**") which the Intermediary must follow.

Typically, the proxy authorization form will consist of a one-page, pre-printed form. Sometimes, instead of the one-page, pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the Instrument of Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Instrument of Proxy, properly complete and sign the Instrument of Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management's representatives named in the Instrument of Proxy and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the instrument of proxy or proxy authorization form is to be delivered.

All reference to shareholders in this Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. In addition, there are two kinds of Beneficial Owners – those who object to their names being made known to the issuers of securities which they own being called Objecting Beneficial Owners (“**OBOs**”) and those who do not object to the issuers of the securities knowing who they are being called Non-Objecting Beneficial Owners (“**NOBOs**”).

The Company will avail itself of those provisions of National Instrument 54-101, *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”) that permit it to directly deliver proxy related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Request for a VIF from Blueberries' transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive.

APPROVAL OF RESOLUTIONS

Unless otherwise specified, a simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment as the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or senior officers of the Company, no management nominee for election as a director of the Company, none of the persons who have been directors or senior officers of the Company since the commencement of the Company's last completed financial year, and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than as disclosed elsewhere herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company has fixed the close of business on August 25, 2022 (the "**Record Date**") as the record date. Only those holders of record of Common Shares on August 25, 2022, are entitled to vote at the Meeting. As at the close of business on August 25, 2022, 163,810,263 Common Shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting. There are no other classes of voting securities outstanding.

Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof. Persons registered on the books of the Company at the close of business on the Record Date and persons who are transferees of any Common Shares acquired after the Record Date and who have produced properly endorsed certificates evidencing such Common Shares or who otherwise establish ownership thereof and demand, not later than 10 days before the Meeting, that their names be included in the list of Shareholders, are entitled to vote at the Meeting.

To the knowledge of the directors or senior officers of the Company, as at the date of this Circular, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, 10% or more of the Common Shares, except the following:

Name of shareholder	Number of Common Shares Held	Percentage of Common Shares Outstanding
Terraflos Inc. ⁽¹⁾	32,035,094 ⁽²⁾	19.56%

⁽¹⁾ Terraflos Inc. is a company controlled by Facundo Garretón, the Company's Executive Chairman, Director and Chief Executive Officer.

⁽²⁾ This information was not provided directly by the insider.

In aggregate, including those held by the Named Executive Officers, the directors and other officers of the Company hold 34,925,951 Common Shares, representing 21.32% of the issued Common Shares.

BUSINESS OF THE MEETING

RECEIPT OF FINANCIAL STATEMENTS

The Annual Financial Statements and accompanying auditor's report thereon will be presented at the Meeting and will be mailed to those registered and beneficial Shareholders who requested them. The Annual Financial Statements are available under the Company's profile on the System for Electronic Document Analysis and Retrieval ("**SEDAR**") at www.sedar.com and at www.blueberriesmed.com.

ELECTION OF DIRECTORS

On January 20, 2021, in connection with the completion of a strategic financing led by FLA Ventures Ltd., Christian Toro resigned as Chairman and Chief Executive Officer of the Company and was replaced by Facundo Garretón. Previous directors Christian Toro, Fabio Valencia Cossio, Dr. Andres Vidal, Francisco Sole, and Paola Castañeda all resigned from the Board effective January 20, 2021. The Board is currently comprised of the following five directors: Facundo Garretón, Patricio Villalba, Catherine Lathwell, Sebastian Hochbaum and Joaquin Barbera.

The Company's by-laws provide that the Board shall consist of such number of directors as may be fixed from time to time by resolution of the Board. The Board currently consists of five (5) directors.

At the Meeting, the Shareholders will be asked to consider, and, if thought fit, approve with or without variation a resolution re-electing the five (5) current members of the Board as the directors of the Company, namely Facundo Garretón, Sebastian Hochbaum, Patricio Villalba, Catherine Lathwell and Joaquin Barbera. It is intended that each of the directors shall hold office until his successor is elected or appointed, unless his office is earlier vacated in accordance with the Articles of Incorporation of the Company, or with the provisions of BCABC, S.B.C. 2002, c. 57, as may be amended or replaced from time to time, including the regulations promulgated thereunder.

Shareholders have the option to (i) vote for all of the directors of the Company listed in the table below; (ii) vote for some of the directors and withhold for others; or (iii) withhold for all of the directors.

UNLESS OTHERWISE INSTRUCTED, PROXIES AND VOTING INSTRUCTIONS GIVEN PURSUANT TO THIS SOLICITATION BY THE MANAGEMENT OF THE COMPANY WILL BE VOTED FOR THE ELECTION OF EACH OF THE PROPOSED NOMINEES SET FORTH IN THE TABLE BELOW.

Management has no reason to believe that any of the nominees will be unable to serve as a director. However, if any proposed nominee is unable to serve as a director, the individuals named in the enclosed form of proxy will be voted in favour of the remaining nominees and may be voted in favour of a substitute nominee unless the Shareholder has specified in the proxy that the Common Shares represented thereby are to be withheld from voting in respect of the election of directors.

MAJORITY VOTING FOR DIRECTORS

The Board adopted a policy requiring that in an uncontested election of directors, any nominee who receives a greater number of votes "withheld" than votes "for" will tender a resignation to the Chair of the Board promptly following the Meeting. The Corporate Governance and Nominating Committee ("**CGNC**") will consider the offer of resignation and, except in special circumstances, will recommend that the Board accept the resignation. The Board will make its decision and announce it in a press release within 90 days following the Meeting, including the reasons for rejecting the resignation, if applicable. The nominee will not participate in any CGNC or Board deliberations on the resignation offer. The policy does not apply in circumstances involving contested director elections.

The following table states the name of each person nominated by management for election as directors, such person's principal occupation or employment, and the approximate number of voting securities and other (non-voting) equity instruments of the Company that such person beneficially owns, or over which such person exercises direction or control as of the date of this Circular:

Stock Option Plans and Other Incentive Plans

The Stock and Incentive Compensation Plan

The Company's stock and incentive stock option plan (the "Stock Option Plan" or "Compensation Plan") was last approved by Shareholders on December 6, 2018.

The following is a summary of the material terms of the Compensation Plan:

Purpose

The purpose of the Stock Option Plan is to authorize the grant to eligible persons, being directors, employees, officers or eligible consultants and investor relations persons (collectively, the "**Eligible Participants**") of the Company to acquire common shares in the capital of the Company and thus benefit the Company by enabling it to attract, retain and motivate Eligible Participants by providing them with the opportunity, through options, to acquire an increased proprietary interest in the Company.

Eligible Participants

Options may be granted to Eligible Participants. Subject to the provisions of the Stock Option Plan, the board of the Company ("**Company Board**") has the authority to determine the terms, limitations, restrictions and conditions applicable to the vesting or to the exercise of an Option, including, without limitation, the nature and duration of the restrictions, if any, to be imposed on the sale or other disposition of Company Shares acquired on exercise of an Option.

Vesting

The Company Board will establish vesting and other terms and conditions for an Option at the time each Option is granted.

Securities Issuable under the Stock Option Plan

The aggregate number of Company Shares reserved for issuance for all Options granted under the Stock Option Plan must not exceed 10% of the Company Shares issued and outstanding (on a non-diluted basis) at the time of granting the Option.

The maximum number of Company Shares which may be reserved for issuance to insiders under the Stock Option Plan, and any other stock option plans of the Company or options for services, shall be 10% of the Company Shares issued and outstanding at the time of the grant (on a non-diluted basis).

The maximum number of Company Shares which may be issued to insiders under the Stock Option Plan, together with any other previously established or proposed share compensation arrangements, within any one-year period shall be 10% of the outstanding issue. The maximum number of Company Shares which may be issued to any one insider and his

or her associates under the Stock Option Plan, together with any other previously established or proposed share compensation arrangements, within a one-year period shall be 5% of the Company Shares outstanding at the time of the grant (on a non-diluted basis).

Exercise Price and Term

Each Option is confirmed by an option agreement or option grant letter or other form of confirmation (electronic or otherwise) as prescribed by the Company Board from time to time. The Company Board shall establish the exercise price of an Option at the time the Option is granted. The exercise price may not be less than the “market price” (as defined in the Stock Option Plan) on the date of grant, being the greater of the closing market price of the Company Shares on the CSE on: (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options. In the event that the Company Shares are not then listed and posted for trading on the CSE or such other stock exchange or quotation system on which the Company Shares are listed or quoted from time to time, the market price shall be determined by the Company Board in its sole discretion.

Cessation or Termination of Options

Subject to the death of an optionee, if any optionee who is a service provider shall cease to be an Eligible Participant for any reason (whether or not for cause) the optionee may, but only within the period of 90 days (unless such period is extended by the Company Board or a committee of the Company Board, as applicable, to a date no later than the date the relevant options would have otherwise expired, and approval is obtained from the stock exchange on which the Company Shares trade where required), or 30 days if the Eligible Participant is an Investor Relations Person (as such term is defined under the Stock Option Plan) unless such period is extended by the Company Board or a committee of the Company Board, as applicable, to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Company Shares trade where required), next succeeding such cessation and in no event after the expiry date of the optionee's option, exercise the optionee's option unless such period is extended as provided below.

In the event of the death of an optionee during the currency of the optionee's option, the option granted to the optionee shall be exercisable within, but only within, the period of one year next succeeding the optionee's death (unless such period is extended by the Company Board or a committee of the Company Board, as applicable, to a date no later than the date the relevant options would have otherwise expired, and approval is obtained from the stock exchange on which the Issuer Shares trade where required).

Assignability

Options granted under the Stock Option Plan shall be non-assignable and non-transferable by an optionee otherwise than by will or by the laws of descent and distribution, and such Option shall be exercisable, during an optionee's lifetime, only by the optionee.

Amendment Provisions

The Company Board or a committee of the Company Board, as applicable, may at any time amend or terminate the Stock Option Plan, but where amended, such amendment is subject to regulatory approval. Notwithstanding the foregoing, in the event the Company Shares are listed on the CSE, the terms of an option may not be amended once issued; and if an option is cancelled prior to its expiry date, the Company must post notice of the cancellation and shall not grant new Options to the same Eligible Participant until 30 days have elapsed from the date of cancellation.

Oversight and description of director and Named Executive Officer compensation

The Board relies heavily on the recommendations of the Compensation Committee and any independent consultants that it retains from time to time to provide analyses, recommendations and benchmarks, having regard to the total compensation levels among comparable companies, to ensure that the Company is compensating its NEOs fairly and competitively, and is able to attract and retain qualified individuals to help the Company continue to meet its business-plan objectives

Compensation objectives are established by the Compensation Committee, and for 2021 include the following:

- attracting and retaining highly qualified individuals;
- creating among directors, officers, consultants and employees, a corporate environment which will align their interests with those of the shareholders; and
- ensuring competitive compensation that is also affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's directors and Named Executive Officers may receive compensation that is comprised of the following components:

- salary, wages or contracted payments.
- extended medical, dental and insurance benefits (“**Benefits**”)
- Options; and
- cash bonuses.

The objectives and reasons for this system of compensation are to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The salaries are set on the basis of a review and comparison of salaries paid to executives at similar companies.

Option grants are designed to reward directors and Named Executive Officers for success on a similar basis as the Shareholders, although the level of reward provided by a particular Option grant is dependent upon the volatility of trading of the Common Shares on the CSE, as well as general volatility of the capital markets.

Specific goals and performance measurement objectives for the NEOs relating to 2021 have not been approved at the date of this Circular. It is expected that the general categories for individual performance weighting will be reflective of the business strategy implementation priorities of the Company in 2021.

Employment, consulting and management agreements

As at the date of this Information Circular, the Company does not have any written employment, consulting or management agreements in place with any NEOs. In addition, no NEO of the Company is entitled to any payment with respect to change of control, severance, termination or construction dismissal.

Oversight and description of director and named executive officer compensation

The Board has a compensation committee which manages all tasks relating to the development and assessment of the compensation paid to both the NEOs and directors. Compensation is reviewed on an annual basis. The Company's compensation program is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility.

The objectives and reasons for this system of compensation are generally to allow the Company to remain competitive compared to its peers in attracting and retaining experienced personnel. In general, a NEO's compensation is comprised of salary, wages or contractor payments and stock option grants.

Salary, wages or contractor payments for each NEO are based on the position held, the related responsibilities and functions performed by the NEO and salary ranges paid to executives at similar companies. Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs. When new options are granted, the Board takes into account the previous grants of options, the number of stock options currently held, position, overall individual

performance, anticipated contribution to the Company’s future success and the individual’s ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders.

The exercise price of the stock options granted is generally determined by the market price at the time of grant, less any allowable discount. At this time the Board has not established any performance criteria or goals. There were no significant changes to the Company’s compensation policies during or after the most recently completed financial year that could or would have affected the Named Executive Officers’ compensation.

Pension

The Company does not have a pension plan under which benefits are determined primarily by final compensation (or average final compensation) and years of service.

**CORPORATE GOVERNANCE DISCLOSURE
Form 58-101F2 Disclosure (Venture Issuers)**

The following is a summary of the Company’s corporate governance disclosure required by Form 58-101F2 of National Instrument 58-101, *Disclosure of Corporate Governance Practices*.

Board of Directors

The Board, at present, is composed of five directors, and all are considered to be “independent”, as that term is defined in applicable securities legislation. In determining whether a director is independent, the Board, among other things, considers whether the director has a relationship which could be perceived to interfere with the director’s ability to objectively assess the performance of management.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

See also information at Schedule "A" – Mandate of the Board of Blueberries Medical Corp.

Other Public Company Directorships

None of the directors are currently directors of any other reporting issuers.

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors have the opportunity to become familiar with the Company by meeting with the other directors, officers and employees. Orientation activities are tailored to the particular needs and experience of each director and the overall requirements of the Board.

Interlocking Boards and CEO Board restriction

None of the Company's directors currently serve together on the board of any other reporting issuer.

Director Term Limits

The Company has not adopted term limits for the directors of the Board as term limits could result in the loss of directors who have been able to develop, over a period of time, significant insight into the Company and its operations and an institutional memory that benefits the Board as well as the Company and its stakeholders.

Retirement Policy

The Company does not currently have a retirement policy requiring its directors to retire at a certain age.

Ethical Business Conduct

The Board monitors the ethical conduct of the Company and ensures that it complies with the applicable legal and regulatory requirements of relevant securities commissions and stock exchanges. The Company has a Code of Business Conduct and Ethics, which can be found on the Company's website at <https://blueberriesmed.com/en>

In general, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Complaints Procedures

The Company has also adopted specific procedures to receive complaints and submissions relating to accounting matters (the "**Whistleblower Policy**", included as a schedule to the Code of Conduct and Business Ethics), which outline complaint procedures for financial concerns and other corporate issues. A Complaints Officer has been appointed under the Whistleblower Policy to whom complaints and submissions can be made regarding accounting, internal accounting controls or auditing matters or issues of concern regarding accounting or auditing matters.

Excluding complaints or submissions made directly to the Complaints Officer regarding financial, accounting or auditing matters, the Board does not formally monitor compliance with the Codes. Management is responsible to report to the CGNC when they become aware of any breaches or alleged breaches of the Codes and complaints made by suppliers or employees against the Company or any director, employee or officer. In the event of a violation of any of the Code of Conduct and Business Ethics, the applicable committee of the Board will investigate the breach or alleged breach and, if appropriate, recommend corrective disciplinary action, including, if warranted, termination of employment. In the event that a breach or alleged breach relates to financial, accounting or auditing issues, the Complaints Officer and the Audit Committee will share responsibility to investigate the matter.

At the date of this Circular, there has been no conduct by a director or executive officer that constitutes a departure from the Codes and the Complaints Officer has received no complaints under the Whistleblower Policy.

Meetings and meeting attendance

All Nominees, except Joaquin Barbera, attended 100% of the Board meeting held on February 3, 2021.

Meetings without management present

During 2021, the independent members of the Board did not meet in camera at the board meeting.

Nomination of Directors

The Board does not have a formal process for identifying new candidates for Board nomination. When required, the Board collaborates with management to identify potential candidates to consider their suitability for membership on the Board.

Written Position Description of the CEO

The Board has developed a written position description for the CEO, which delineates the role and responsibilities of the CEO, along with such other responsibilities as may be delegated to the CEO by the Board or its Committees from time to time.

CEO Succession Planning

There is currently no formal process in place to manage succession planning for the position of CEO. The CGNC and the Board does not believe at this time that the Company is dependent upon any one of the individual Executives, including the CEO so as to require a formal succession plan. It is envisaged that a member of the Executive or the Board would temporarily assume the position and duties of CEO on an interim basis should the need arise while a search for a suitable candidate was undertaken. The CGNC expect to continue its ongoing review for a need to formalize a succession process in 2019 in order to ensure that a qualified successor to the Company's Chief Executive Officer position can be identified, if and when appropriate.

Corporate Governance and Nominating Committee

The Board has established a Corporate Governance and Nominating Committee that is comprised entirely of independent directors; this committee is charged with the responsibility of identifying new candidates for Board nomination, among other things. The current members of the CGNC are Mr. Patricio Villalba (chair), Catherine Lathwell and Facundo Garretón. While a formal process has not yet been developed, it is expected that Board candidates will be identified through industry contacts and search firms.

The responsibilities and powers of the Corporate Governance and Nominating Committee are set out in its written charter, and include, among other things:

- (a) monitor compliance with the Company's corporate governance policies;
- (b) develop a code or codes of business conduct and ethics for the Company and review the code(s) of business conduct and ethics and approve changes, if necessary, on an annual basis;
- (c) assist the Board in monitoring compliance with the Company's code(s) of business conduct and ethics;
- (d) propose agenda items and content for submissions to the Board related to corporate governance issues and provide periodic updates on recent developments in corporate governance;
- (e) conduct a periodic review of the relationship between management and the Board and its effectiveness;
- (f) review on an ongoing basis the Company's approach to governance, and recommend the establishment of appropriate governance policies and standards in light of securities law and exchange requirements;
- (g) review and recommend to the Board changes to the way directors are to be elected to the Board by Shareholders, if appropriate;
- (h) conduct at least annually an evaluation of the effectiveness of the Board and its Committees and recommend any changes to the composition of the Board;
- (i) conduct an annual evaluation of the overall performance and effectiveness of individual directors;

- (j) recommend to the Board a slate of candidates for presentation to the Shareholders at each annual meeting of Shareholders and one or more nominees for each vacancy on the Board that occurs between annual meetings of Shareholders, if any;
- (k) recommend to the Board qualified members of the Board for membership on Committees of the Board and recommend a qualified member of the Board to act as Chair of the Board;
- (l) provide orientation for new directors and ongoing education for all directors; and
- (m) review executive officer succession plans and ensure that a qualified successor to the Company's Chief Executive Officer position is identified, if and when appropriate.

Compensation

The Board has also established a Compensation Committee, which is comprised entirely of independent directors. The current members of the Compensation Committee are Messrs. Patricio Villalba (chair), Catherine Lathwell and Facundo Garretón. Each of the Committee members has served for several years in either a senior management capacity, or as a director and compensation committee member of an issuer, at which they would have had direct responsibility for reviewing performance of direct reports, hiring, setting of performance goals and objectives and setting salaries.

The Compensation Committee has adopted a written charter, pursuant to which its responsibilities include, among other things:

- (a) annually review and approve corporate goals and objectives relevant to the CEO and executive officer compensation, evaluate the performance of the CEO and each executive officer's performance in light of those goals and objectives, and recommend to the Board for approval the compensation level for the CEO and each executive officer based on this evaluation;
- (b) administer and make recommendations to the Board regarding the adoption, amendment or termination of the Company's incentive compensation plans and equity-based plans (including specific provisions) in which the CEO and executive officers may participate;
- (c) recommend to the Board compensation and expense reimbursement policies for Board members; and
- (d) review and approve employment agreements, severance arrangements and change in control agreements and other similar arrangements for the CEO and executive officers.

The Company has not completed an assessment of potential risks associated with Blueberries' compensation policies and practices. The Compensation Committee is responsible for annually reviewing Blueberries' compensation arrangements, as set out above, and may determine to undertake such an assessment during a later period.

Audit Committee

The Company has an Audit Committee, which is currently comprised of Catherine Lathwell (chair), Patricio Villalba and Facundo Garretón, each of whom is considered independent and financially literate in accordance with applicable securities laws. The Audit Committee has adopted a written charter that sets out its duties and responsibilities. For more information see section entitled "*Audit Committee Information*" below.

Other Board Committees

Other than as described herein, the Board has not appointed any other committees to date.

Assessments

The Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Board, its committees or individual directors, and such matters are considered on a case-by-case basis.

AUDIT COMMITTEE INFORMATION

Pursuant to the provisions of the *Business Corporations Act* (British Columbia) and National Instrument 52-110 – *Audit Committees ("NI 52-110")*, the Company is required to have an Audit Committee and to disclose certain information concerning the constitution of its audit committee and its relationship with the Company's independent auditor.

The general function of the Audit Committee is to review the overall audit plan and the Company's system of internal controls, to review the results of the external audit, and to resolve any potential dispute with the Company's auditor.

Audit Committee Charter

A copy of the charter of the Audit Committee is attached to this Circular as Schedule "B".

Composition of the Audit Committee

The Company's Audit Committee consists of Catherine Lathwell (chair) Patricio Villalba and Facundo Garretón

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect "material relationship" with the Company, which, for the purposes of NI 52-110 means a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the member's independent judgment. All of the Company's current Audit Committee members are "independent" within the meaning of NI 52-110.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. All of the members of the Audit Committee are "financially literate" as that term is defined. The following sets out the Audit Committee members' education and experience that is relevant to the performance of his responsibilities as an audit committee member.

Relevant Education and Experience

All members of the Audit Committee have:

- (a) an understanding of the accounting principles used the Company to prepare its financial statements;
- (b) the ability to assess the general application of such principles in connection with accounting for estimates, accruals and provisions;
- (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities; and
- (d) an understanding of internal controls and procedures for financial reporting.

The undersigned hereby certifies that the Board of Directors of the Company has approved this Information Circular.

DATED at Toronto, Ontario, this 25th day of August 2022.

Blueberries Medical Corp.

"Facundo Garretón"
Chief Executive Officer

SCHEDULE "A" – MANDATE OF THE BOARD OF BLUEBERRIES MEDICAL CORP.

General

1. The directors are elected by the shareholders and are responsible for the stewardship of the business and affairs of Blueberries Medical Corp. ("**Blueberries**", or the "**Corporation**"). The Board of Directors (the "**Board**") seeks to discharge this responsibility by reviewing, discussing and approving the Company's strategic planning and organizational structure and supervising management to oversee that the strategic planning and organizational structure enhance and preserve the business of the Company and the underlying value of the Company.

Composition

2. The Board believes that better corporate governance is promoted when a board of directors is made up of highly qualified individuals i) from diverse backgrounds who reflect the changing population demographics of the markets in which the Company operates, ii) of each gender, and iii) reflective of the talent available with the required expertise. When considering recommendations for nomination to the Board, the Board shall consider:
 - (a) diversity criteria including gender, age, ethnicity and geographic background; and
 - (b) candidates who are highly qualified based on their experience, functional expertise, and personal skills and qualities.

Notwithstanding this, the Company does not support the adoption of quotas to support its belief in the importance of diversity. In addition to the criteria set out above and elsewhere herein, employees and directors of the Company ("**Directors**") will be recruited and promoted based upon their ability and contributions.

3. The Directors shall consist of persons who possess skills and competencies in areas that are:
 - (a) necessary to enable the Board and Board committees to properly discharge their duties and responsibilities; and
 - (b) relevant to the Company's activities.
4. At least a majority of the directors shall be individuals who are "independent" directors in accordance with applicable securities laws and stock exchange policies. Subject to the size and operations of the Company, the Board is committed to setting measurable objectives for the long-term goal of improving gender representation across all levels of the organisation. Annually, the Board will report to the Company's shareholders the following:
 - (a) a summary of the Company's progress towards achieving the measurable objectives set under this Policy; and
 - (b) details of the measurable objectives set under this Policy for the subsequent financial year.
5. The Board does not believe it should establish term limits for directors as term limits could result in the loss of Directors who have been able to develop, over a period of time, significant insight into the Company and its operations and an institutional memory that benefits the Board as well as the Company and its stakeholders. The Board, on its initiative and on an exceptional basis, may exercise discretion to introduce maximum terms or mandatory retirement where it considers that such a limitation would benefit the Company and its stakeholders.
6. Subject to the limitations herein, the Corporate Governance and Nominating ("**CG&N**") Committee of the Board will annually (and more frequently, if appropriate) recommend candidates to the Board for election or appointment as Directors, taking into account the Board's conclusions with respect to the appropriate size and composition of the Board and Board committees, the competencies and skills required to enable the Board and Board Committees to properly discharge their responsibilities, and the competencies and skills of the current Board.

7. No director should serve on the board of a regulatory body with oversight of the Company. Each director should, when considering membership on another board or committee, make every effort to ensure that such membership will not impair the Director's time and availability for his or her commitment to Blueberries as well as his or her ability to exercise their fiduciary duties as directors.

Directors should advise the chair of the CG&N Committee and the Chief Executive Officer ("**CEO**") of the Company before accepting membership on other public company boards of directors, or any audit committee, or other significant committee assignment on any other board of directors, or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities, particularly those that may result in significant time commitments or a change in the director's relationship to the Company.

No director shall serve on more than four public company boards in aggregate.
8. Without prior approval of the CG&N Committee, the CEO of the Company should not serve on the board of any other public company; and at no time shall the CEO serve on more than one other public company.
9. The Board approves the final choice of candidates.
10. The shareholders of the Company elect the Directors annually.

At any time when the Chair is an employee of the Company, the non-management directors shall select an independent director to carry out the functions of a Lead Director. This person would chair regular meetings of the non-management directors and assume other responsibilities which the non-management directors as a whole have designated.
12. The Secretary of the Company (the "**Secretary**") shall be secretary of the Board.
13. Directors are expected to comply with the Corporation's Code of Business Conduct and Ethics and its Directors' Code of Ethics.
